

International Childhood Cancer Day 2013

INDIA

Eeshwar Child Welfare Foundation (ECWF)

Our organization, Eeshwar Child Welfare Foundation, celebrated "World Cancer Day" with cancer survivors & Cancer Suffering Children at Balrampur Hospital on 4-02-2013 from 12 pm to 1 pm. Through this event we also set an example to society that " Help Those Who Are In Need" & "Child Hood Cancer Is Curable If Detected Earlier.

On 15th February 2013 we celebrate International cancer childhood day. Through this event we convey a message to our cancer kids, their parents and society that " LOVE CURES CANCER". We arrange a nutritional programme for cancer kid to aware them from hygiene and proper diet.

On this occasion gift hamper and caps with a message that "CANCER IS CURABLE" were distributed to the children.

Here are some pictures:
