

Indonesian Childhood Cancer Foundation Celebrates the Anniversary of the International Children Cancer Day 2013.

In commemorating the anniversary of the International Children Cancer Day 2013, through the month of February the Indonesian Childhood Cancer Foundation (YOAI) has been active organising several events. On 15 February, Mrs Rahmi AP Tahir as Chairwoman of YOAI together with a Doctor gave a “Talk Show” on one of the TV Station in Jakarta. At the same time YOAI was able to get sponsors from Prudential Life Assurance in the form of money to buy two Apheresis Machines for hospitals in Surabaya and Bali. And last YOAI held a “Scientific Seminars” for doctors in Bandung

Similar to last year our peak day was on Sunday 24th February, where we organized Fun Walk and Fun Bike for public with a theme Jakarta Sehat untuk Anak Kanker (Healthy Jakarta for Children with Cancer). Two thousand tickets were all sold out. Participants are from all ages and this time there were more bikers. Survivors were among the Fun Walk and while others walk and bike children with cancer who stayed were entertained by a Magician and several famous group bands of Jakarta.

The start of the Fun Walk and Fun Bike was done by Ministry of Women’s Empowerment and Child Protection, Mrs Linda Agum Gumelar. Other dignities who were present on the day was from Ministry of Health, Ministry of Tourism and Representative from Governor of Jakarta.

We had very good coverage from the Media both prints and electronics.

Attached are some pictures taken during the day.
